Required Documentation for Ophthalmologists and Optometrists

The following documents are needed for approval of the doctors (**Ophthalmologists and Optometrists**) for our upcoming mission:

Copy of their current, up-to-date passport

Notarized copy of their CV

Notarized copy of their current, up-to-date license with apostille

The documents can be notarized at their local bank or most FedEx stores.

Each state has SLIGHTLY different requirements for the apostille, and each state's requirements can be found on the state's Secretary of State's site. Most (all that I have encountered) require a notarized copy of the license, completion of a short form requesting the apostille, a self-addressed and stamped envelope, and a check for the fee (\$5-\$15).

Please feel free to contact me at kprivate987@gmail.com, 440-541-6642 with any questions.

Please mail the above documentation by October 1, 2026, to:

**Attn: Anna Klee
